JetSchool SEO changelog: Terms

Date: November 9, 2026. Page: /terms.

Technical
Title is Terms of Service | JetSchool.
Description covers estimates, listings, fees, and the broker limit.
Canonical is the public /terms URL. A query string is noindex, follow.
Open Graph, Twitter, and WebPage schema use that same URL.
The fifteen numbered sections are h2 elements under the one h1.

Text
Section 8 now names analytics, and says it runs only while a measurement id is configured. Last updated is November 9, 2026.
The fee, liability, and refund rules are unchanged.

Tracking
This page has no custom event. The sitewide tag records the page view after ANALYTICS_MEASUREMENT_ID is set on Railway.
