JetSchool SEO changelog: Contact

Date: November 9, 2026. Page: /contact.

Technical

Title is Contact JetSchool. Description names listings, accounts, and site information.
Canonical is the public /contact URL. A query string is noindex, follow.
Open Graph and Twitter cards point at the same URL and the square wordmark.
ContactPage schema names JetSchool and support@jetschoolusa.com.

Text

The heading is Contact JetSchool. The form is unchanged.
The lead now also shows the support email.

Tracking

A successful send records contact_message_sent. A failed send records contact_message_failed.
The event does not include the name, email, phone, or message.
The Google tag itself stays off until ANALYTICS_MEASUREMENT_ID is set.

Still needs the owner

Google Analytics is not active. Add the GA4 measurement id on Railway.
Search Console is not verified. Add the HTML-tag token as GOOGLE_SITE_VERIFICATION.
